

# Energylandia

## Poland

## **This is the main entrance of the them park**

To enter the park, you must go through the main entrance to buy tickets so you can get inside and have fun.

**This is the one part of  
this them park with all  
the sea coasters**

**This is the other part of the energylandia  
with all the others roller coasters**

- Located in Poland
- They have also put in place a system that says that anyone who does not want or does not have the necessary time to wait in line from each train can pay five euros to get in line first, and they called this a fast pass.
- One ticket for one day costs : 129,00 zł
- The equivalent in euros is 50 €
