

WRITING - LETTER WRITING (PAGE 33)

Hello Nicole!

It's so nice that you managed to come on the weekend to spend it with me! But instead of just staying at home and suffering of boredom, how about going to a local fun fair?

I still haven't been there, but I've heard it's lots of fun! It is filled with entertaining rides like bumper cars, the Virtual Reality ride, which I could easily confuse for a real one, and the old time classic, roller coaster. You'll love all of them, and especially the Big Dipper, since you are fond of heights.

Afterwards, we could grab a bite to eat at a restaurant nearby. You'll be shocked to see the variety of fast-food choices and healthy snacks they have! I always go there with my family whenever we go out to eat.

However, if junk food is not to your likings, we have to go to the cinema after our walk to the fun fair. My favorite film is on, and I wouldn't miss it for the world!

I'm looking forward to spending the weekend with you!

Best wishes,
Anastasia
